# Imperial Log Set

## WITH REMOTE CONTROL

### ALL GAS LOG SETS ARE NOT CREATED EQUALLY:

Heatilator® Imperial gas logs sets feature a built-in “Spark-to-Pilot” system and a factory preset air mixer to prevent sooty, carbon build-up on the logs.

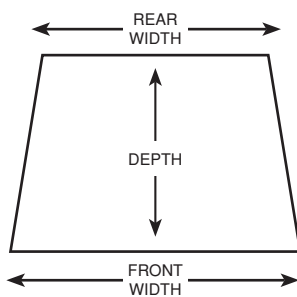

MODEL:	DESCRIPTION:	PRICE:
FI-36M	18” Log Set	\$ 495.00
FI-42M	24” Log Set	\$ 525.00
SKY1001	Battery-Operated Remote	Included
RS-1	Insulated Remote Receiver Box	Included
Installation	Log set installation (Metro Houston area)	\$ 60.00

### BURN NATURAL GAS OR PROPANE:

Heatilator lightweight Imperial log sets feature ceramic-fiber logs designed to withstand the heat produced from a natural gas or propane fire. The shape, size, color and burning pattern of Imperial gas logs simulate a real wood fire - without the hassles.

Heatilator Imperial logs feature a built-in “Spark-to-Pilot” system and a factory preset air mixer to prevent sooty, carbon build-up on the logs.

### MEASURING YOUR FIREPLACE FOR GAS LOGS:

Front Width: \_\_\_\_\_

Rear Width: \_\_\_\_\_

Depth: \_\_\_\_\_

If Rear Width Is:	Log Size Should Be:
Less Than 17”	Not Available

# Imperial Log Set

## WITH REMOTE CONTROL

Perfection offers Heatilator® Imperial log sets with these features built right in:

### SAFETY PILOT SYSTEM:

Heatilator Imperial log sets feature a built-in “Spark-to-Pilot” system and a factory preset air mixer to prevent sooty carbon build-up on the logs. *NOTE: a pilot ignition system is required by law on gas log sets burning propane gas.*

### RELIABILITY:

The “Spark-to-Pilot” ignition system is the same assembly used in Heatilator gas appliance fireplaces and is proven to be more dependable than typical add-on safety pilot kits specified by other gas log manufacturers.

### CLEANLINESS:

Heatilator Imperial log sets burn very clean, emitting fewer emissions than woodburning units. And, unlike heavier concrete logs, Heatilator lightweight ceramic-fiber logs do not cool the flames.

### REMOTE CONTROL:

Heatilator Imperial log sets feature a hand-held remote control for the ultimate in convenience.

### WARRANTY:

Perfection honors a 10-year limited warranty on all log sets.

### INSTALLATION:

Perfection professionals are available to install and service our full line of products.

### DEMAND THE BEST. DEMAND PERFECTION!

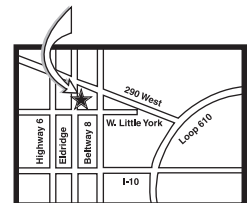

Perfection has been providing Houston's largest selection of quality fireplaces, fireplace accessories and other premium products and services since 1979.
